VOICING YOUR OPINIONS

CLAAS Regional Center South East Asia Ltd.

"AGRITECHNICA ASIA 2022 brings together the international audiences. We are able to meet people from across different sectors not just only from Thailand but also from other Asian countries, for example Korea and the Philippines. This gives us the opportunity to network and interact with large audiences. This is something that we are very happy about."

Mr. Anil Menon | Managing Director | CLAAS Regional Center South East Asia Ltd.

Maschio Gaspardo

"AGRITECHNICA ASIA has a good location in Bangkok, the very center of Asia Pacific. We have many partners that come from Thailand, Vietnam, Sri Lanka, Japan, Korea and many other countries."

Mr. Alessio Riulini Chief Sales Officer - Maschio Gaspardo Group | Managing Director - Maschio Gaspardo China & India

DJI Agriculture (Thailand)

"The exhibition this year is very impressive because it is the first international exhibition after the long period of COVID and today we have a lot of audiences here. Of course, DJI will attend AGRITECHNICA ASIA 2024."

Mr. Donnie Jia, Sales manager | DJI Agriculture (Thailand)

Cambodia Business Association

"This is a very great opportunity and interesting event with all the innovative technologies. We are here together with members from 18 Cambodian companies and we found many technologies that we can supply."

Mr. Sean Sophea | Cambodia Business Association

WE THANK ALL EXHIBITORS AND VISITORS AND LOOK FORWARD TO WELCOMING YOU IN BANGKOK AGAIN FROM 22 - 24 MAY 2024
